

**Greek Orthodox Metropolis of Detroit Ladies Philoptochos Society
2026 No Show Fundraiser Celebrating**

Professors, Teachers, Coaches and Mentors

March, 2026

Dear Philoptochos Chapters, Sisters, and Friends,

As Philoptochos celebrates ninety-four years of philanthropy, the spirit of the ladies is defined by their dedicated service to others. Philoptochos members can always say without hesitation “we serve” the underprivileged and those in need. The mission of Philoptochos and legacy of charitable work has continued uninterrupted for decades.

To continue our mission, the Metropolis of Detroit Philoptochos Board is planning a “No Show” fundraiser to provide support for our various Metropolis charities and ministries. The Metropolis includes seven states over many miles. Getting together for a fundraiser is a challenge. Our goal is to reach all of our members through mail, email and social media so everyone can participate.

This year, from March 1 through May 15, we will honor and/or memorialize **Professors, Teachers, Coaches and Mentors** - those who inspire us to grow, both inside and outside our communities. You will have the opportunity to show your gratitude to the men and women who have supported, encouraged, shaped, or uplifted you while helping the Metropolis of Detroit Philoptochos continue its philanthropic mission. These individuals include Sunday school teachers, foreign language instructors, dance instructors, youth leaders, counselors, and life-long role models/mentors.

Our appeal is to chapters as well as individuals. Our goal is 100% participation and any amount will do! You can share your love and support by making a meaningful tribute and joining us as we fulfill our commitment to help those in need. Thank you in advance for your generosity!

In His Service,

Stephanie Storgion Poplos, MD
Metropolis of Detroit Philoptochos President
